2022 Dragon Classic Golf Outing July 24, 2022

New Palestine High School Head Football Coach Kyle Ralph and the New Palestine Gridiron Alliance (NPGIA) would like to ask you to consider a sponsorship and playing in the annual Dragon Classic Golf Outing. The Dragon Classic will take place this year on Sunday, July 24, 2022 at Morningstar Golf Club, 271 South Mitthoeffer Rd., Indianapolis.

The NPGIA, a non-profit organization, raises funds to support the New Palestine football program in important ways that cannot be met by the school's athletic department budget. This support includes such things as player and program development, safety equipment, a post-season awards banquet, pre-game and post-game meals, team building and leadership retreats, and summer competitions. The NPGIA also awards a \$1,000 scholarship every year to a Senior football player to help pay for his college education.

The Dragon Classic Golf Outing is the main fundraising event held by the NPGIA and sponsorships are essential to its success. Your generous support as a sponsor will help provide the funds necessary to continue the tradition and build upon the success of the New Palestine football program while investing in these outstanding young men and our community.

Please consider partnering with the NPGIA in supporting Dragon Football through a sponsorship in the 2022 Dragon Classic Golf Outing. If you are interested, please register your team or get your sponsorship in today as we expect a full field this year.

I thank you for your time and consideration.

Sincerely,
Paul Gable
NPGIA President

GO DRAGONS! WIN THE DAY!
